Can I bring _____?

The following is a list of items that are allowed at Gordon Good Neighbor Days:

Cameras- Visitors are more than welcome to take pictures, they are an important part of vacations!

Phones- Not only are these allowed, they are encouraged! Although Gordon is small, it can be easy to lose sight of friends and family. Please be aware that Gordon does not have very good cell reception so plan accordingly.

Cash- Cash is suggested because if you plan on spending all day at the activities, it's important to remember not to let yourself get dehydrated or hungry. Plus, there will be lots of cool vendors and crafts around (souvenirs are essential on vacations!).

Strollers- Kids get tired, so it's more than okay to bring the stroller along as well. Please be aware that strollers are NOT allowed on the 5K course.

Are/Is _____ allowed?

Unfortunately, some items have been banned from this event. These items include:

Coolers/Carryons- There is no room for them during the fireworks and they are just annoying to carry around during the day. Best leave them at home!

Credit/Debit Cards- Gordon doesn't really have any credit card machines around so it's pretty pointless to bring these with. Best leave them at home as well- less chance of theft!

Let us know if there's a question we forgot!
